

Bingo Help Needed

Families can earn Money for Trips for their

Children

There is a great opportunity available to you to help your child pay for their Senior Class Trip, Camp Wilson, Church Camp, school related trip, the trip to Washington for the March for Life and/or other trips paid to the school. Not only would you earn money for your child's trip(s), you would also help keep a very vital program going strong. You can start a family account ex. Joe and Jane Doe. The money can be held for up to 5 years, so when one of your children needs money for a trip, you can pull money from your account, to pay for the trip. Every Wednesday and Saturday evening, we are in need of help in the bingo concessions. These concessions are a very big part of the bingo program itself. If we do not have concessions, our attendance at bingo will suffer and so will the income we make from this program. We cannot afford to lose 10's of thousands of dollars a year because we did not have the people to work the concessions.

PLEASE CONSIDER HELPING!

Each night pays out a total of \$50.00 that would be applied to your child's trip. If 2 students work, it can be divided between them. It takes 4 people, and at least 1 adult to run the concessions. Your work starts at 4:30 PM and you are done by 9:00 PM. You get the food ready, sell it and clean up when finished.

Please call the Ministry Center, [419-695-4050](tel:419-695-4050), for more details.

WE NEED YOU!
