

We need your help! Over the summer, the garden at school needs taken care of. It will need weeds pulled, dead flowers cut off and watered if it doesn't rain. We need students or adults to volunteer to take care of the garden for a week during the summer. You can volunteer for as many weeks as you want and they will be assigned on a first come first serve basis. If you have any questions, you can contact Mrs. Gerow at [gerow@delphosstjohns.org](mailto:gerow@delphosstjohns.org) or at 419-516-2442. If interested, please return the bottom portion to Mrs. Gerow or send an email. Thanks!
